

Are you keen to find the right candidate in Procurement?

Need to do it for the least cost?

Why not advertise with the industry's professional body?

CIPS Australia can help you to target the best candidates in the procurement field by advertising in the recruitment section of our website www.cipsa.com.au.

By placing a recruitment ad on the CIPS Australia website you are talking to members of the leading procurement professional body in the world.

With almost 2000 Australian members and many more practitioners visiting the site daily, why pay for a reach you don't need.

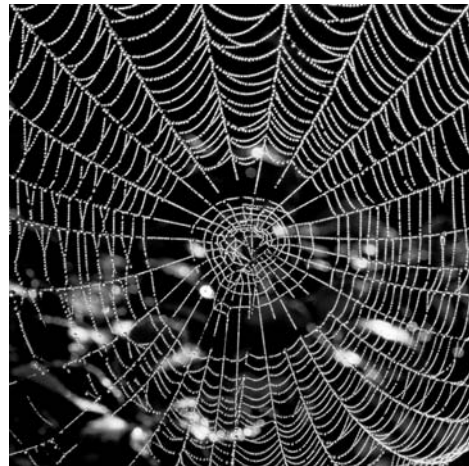

Your opportunity to be a part of this window into the procurement world starts with the placement of a recruitment ad for just \$49 plus GST per job per month.

For this you will receive:

- Placement of your ad within 3 working days for a period of 1 calendar month from it's appearance on the site
- A summary listing showing the key job detail such as job title, salary package and location details.
- A click through to the full ad in either the supplied format or a CIPS Australia provided broader template.
- The choice of a reduced rate for multiple monthly placements. See below:

Period	1 Month	2 Months	3 Months
Per Ad	\$55 inc GST	\$88 inc GST	\$110 inc GST

It's easy to place your ad with us. Simply email marketing@cipsa.com.au with your ad (text or word document only), all appropriate contact details for CIPS Australia to contact you, and the closing date of the job.
